

The mark of enduring quality

Solvent Based Epoxy Paint

Prismo Epoxyline®

PRODUCT SHEET

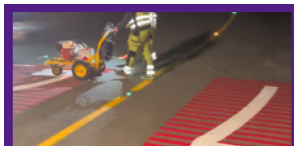

Prismo Epoxyline® is a versatile, single-pack solvent based epoxy paint engineered for **durable, fast, and hassle-free** line and area markings on asphalt and concrete.

It provides exceptional **long-lasting resistance** to heavy wear, chemicals, and oil, making it an ideal solution for demanding environments such as airfields, ports and factories.

Easy to apply by machine or hand, and packed in **eco-friendly, removable-liner packaging**, Prismo Epoxyline® is the reliable and sustainable choice for diverse projects.

Fast. Tough. Easy.

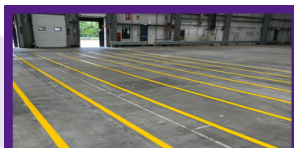

With **ASTM 2486 certified wear resistance**, Prismo Epoxyline® delivers quick drying, heavy duty markings — no matter the project.

Billund Airport, Denmark

Hassle-free application

Provided in a single-pack for a simplified application process with a fast turnaround, ideal for time-sensitive projects.

Indoor Flooring, UK

Withstands heavy traffic

Delivers exceptional durability and wear resistance, engineered to handle heavy traffic in the busiest areas.

Sutherland Primary Academy, UK

Vibrant and UV resistant

Formulated with UV-resistant pigments for long-lasting colour integrity and vibrancy across a broad colour range.

Major Container Port, UK

Customisable performance

Suitable for post-spraying with glass beads or aggregate for added retroreflectivity and skid resistance. Antiskid grade available.

Prismo Epoxyline® achieves:

- **>1600 cycles wear resistance** (compliant to ASTM D2486)
- **<10 minutes no pick-up time** @ 20°C (ASTM D711)
- **HP4 for maximum opacity**
- **UV1 for maximum UV stability**

The mark of enduring quality

Solvent Based Epoxy Paint

Prismo Epoxyline®

PRODUCT SHEET

Developed and tested to outperform standard epoxy paints.

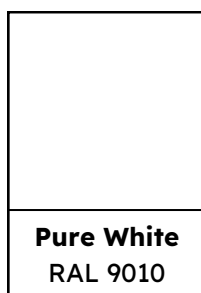

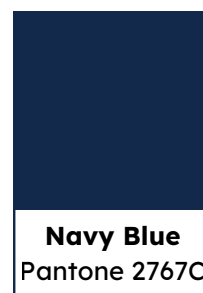

**Abrasion cycles endured
(ASTM D2486)**

Engineered for endurance. Prismo Epoxyline® consistently achieves over 1600 abrasion cycles, ensuring performance that:

- ✓ **Lowers lifecycle costs** with less frequent repainting and superior long-term value.
- ✓ **Increases reliability** in high-traffic areas with sustained wear resistance.
- ✓ **Maximises safety** with markings that stay clear and effective for longer.

Prismo Epoxyline® is available in a wide colour range, making sure you can find the right solution for your project.

Other colours available on request.
